Your Family Retreat in the White Mountains - The Saco River Motor Lodge is nestled in the beautiful woods on the peaceful Saco River. As a young family, we wanted to create and design our grounds with families in mind. Our grounds have a large pool, playground for kids, fire pits for roasting marshmallows, grills for barbecues and picnic tables for added comfort. There is a little soccer field behind the building for kids to play on. Sit and relax by our large pool or swim, canoe, kayak and tube down the beautiful Saco River located right next to us. In the winter we have ski packages with many major ski mountains; Attitash, Wildcat, Cranmore and Pleasant Mountain. All kinds of activities going on in and around the valley.
