

“Solo Exploration” Road Trip Itinerary

Adventure on your own time with plenty to do.

REI Experience Center (North Conway) Offering a variety of day trip and classes, the REI Experience Center is a great way to get into the wild with guide and support. Browse their upcoming classes at rei.com/north-conway.

Ellis River (Jackson) After discovering adventures in the White Mountain National Forest, keep an eye out along Route 16 north of Jackson Village for quick spots to dip your toes into the chilly, but peaceful Ellis River.

Black Cap Grille (North Conway) Before heading out of town, cap off your day with a great meal and award-winning cocktails at Black Cap Grille. The 2369' sandwich comes highly recommended after a long day on the trails. Open for lunch and dinner, Wednesday-Sunday.
